

**ARCHITECTURAL / LANDSCAPE MODIFICATION REQUEST**  
**CASTLE ROCK HOMEOWNERS' ASSOCIATION**  
"A Common Interest Community"

As stated in our Declaration of Covenants, Conditions and Restrictions (CC&Rs) for Castle Rock HOA, our Architectural Committee must approve all exterior modifications to your home or property prior to the project's start date. **Please submit three copies of this form and your supporting information no less than four weeks prior to the proposed project start date.** After review of your request, our Architectural Committee will meet with you to introduce themselves and review the project with you. You will be informed at that time of your project status - approval and/or modifications.

Homeowner Name(s): \_\_\_\_\_

Daytime Phone: \_\_\_\_\_ Evening Phone: \_\_\_\_\_

Address: \_\_\_\_\_

Email Address: \_\_\_\_\_

Please describe your proposed modification (architectural or landscape) and its specific location by including a diagram of the project including dimensions, materials, and colors to be used, proposed vegetation, location on the property, lot lines, easement lines (plot plan) and distances. Include as much information as possible for our committee to evaluate – minimizing any subsequent questions. For paint colors, provide a 12"x12" color sample.

## **CASTLE ROCK HOMEOWNERS' ASSOCIATION SHED REQUIREMENTS AND GUIDELINES**

1. Any request to build or place a shed, or Rubbermaid-type storage product on a homeowner's property must be submitted to the Architectural Committee for approval before construction or installation. Architectural/Landscape Modification Request forms are available at [www.castlerockhoa.org](http://www.castlerockhoa.org) or from Associa Sierra North. A City of Reno building permit may be required and is always the homeowner's responsibility.
2. Any shed or Rubbermaid-type storage product is not to exceed a maximum height of 8'3".
3. Any shed other than a Rubbermaid-type storage product must be wood-framed under covering wood or hardboard siding.
4. Roofing materials on the shed other than a Rubbermaid-type storage product must be tile or asphalt shingle in a color like the roofing material of your home.
5. Exterior colors on sheds other than a Rubbermaid-type storage product must match the existing color scheme of your home.
6. Any shed or Rubbermaid-type storage product must be placed or built behind the homeowners' solid wood fence – no less than one (1) foot from the property line to provide for runoff management.
7. As of November 2004, Rubbermaid-style storage shed with a pitched roof or a storage box is permitted to be placed on homeowners' property. The size of the storage shed or Rubbermaid-type shed shall not exceed eighty (80) square feet (revised from 63 square feet in 2009), be 8'3" in height and may only be installed behind homeowners' solid wood fence - no less than one (1) foot from the property line to provide for runoff management.
8. For lot sizes that exceed 11,000 square feet, the maximum size of said storage shed shall not exceed 100 square feet, with a height of 8'3" and is subject to board approval, all other limitations apply as described in this document. Painting of Rubbermaid-type storage device is not required.
9. Sheds are not to be used as any type of living space.

Revised October 2015

Wood fencing is to be maintained in a natural wood finish.  
This means that the color of a wood fence should be a naturally occurring wood color.

If you have questions on this topic, please contact Associa North so that the committee can evaluate your proposed color.

Fences and Walls: No fences shall be constructed within the project except those that are installed in accordance with the original construction types of the project  
Any replacements of wooden fencing or wrought-iron fencing must be approved by the Board.

Wood fencing is limited to the following:

Must be installed along your garage side only and is to extend no more than 10 feet from the back of the dwelling. Any other applicable property lines must be fenced using approved wrought-iron fencing

## Landscape Waiver

We (I), the undersigned purchaser(s) of Lot \_\_\_\_\_ of Castle Rock, agree to the following conditions and stipulations:

1. In the process of installing our (my) landscaping, care will be taken not to alter the drainage plan as provided by the builder and we (I) agree to maintain the final grade and drainage to the lot as it was designed on the approved plan and complied with by the builder.
2. It is understood that any changes or alterations to the property will require review by the Architectural Committee, per the CC&Rs - sections 3.2 and 3.3. In addition, the City of Reno may require one or more building permits.
3. DO NOT INITIATE ANY CHANGES OR ALTERATIONS WITHOUT HAVING AN APPROVAL FROM THE CASTLE ROCK HOA ARCHITECTURAL AND LANDSCAPING COMMITTEE.
4. Building code ordinances for the City of Reno pertaining to drainage, terracing, erosion control, and grading inspection are put forth in sections 7012, 7013 and 7014 of the Uniform Building Code.
5. That a dispute with any neighbor over a drainage or erosion problem is a civil matter and must be handled by the purchaser/homeowner privately or with the City of Reno.

We (I) have read and understand the above information and We (I) agree to comply with all applicable rules, laws, and regulations.
